Why Choose TNS?

At Top Notch Security Inc., we are driven by a mission to deliver dependable, disciplined, and responsive security solutions that uphold the safety and trust of the communities and institutions we serve. Our foundation as a Black American-owned, SBA and MBE firm reflects our commitment to inclusion, service excellence, and accountability. For over two decades, we have successfully safeguarded federal, state, and commercial facilities through our people-first, training-focused, and compliance-driven approach. At the heart of our operations lie the core values that define who we are and how we serve:

Integrity

We believe that trust is earned through consistency, transparency, and ethical service delivery. Every interaction with our clients and every post we protect is a reflection of our unwavering commitment to doing what's right.

Discipline

Our guards are not just licensed they are prepared. Through rigorous training, site-specific protocols, and continuous performance evaluation, we bring precision, readiness, and structure to every assignment.

Excellence

From long-term government contracts to urgent deployments, we strive for operational excellence. We maintain high service standards, deliver rapid response times, and build client relationships that stand the test of time.
